**1. Final Version of IGF 2023 Workshop Form**

- The IGF 2023 workshop form prepared by the Group had been conditionally approved during the face-to-face MAG meeting in Vienna (8-10 March). The Group considered the newly revised form, now including the comments made by MAG colleagues in Vienna.

**Actions**

- ➔ **It was agreed that a note would be added to the “Civil Society” stakeholder group to specify that it is inclusive of the academic community.**
- ➔ **So as to ensure that the topics added under the eight agreed themes are not prescriptive, it was suggested to change “Selectable Topics” to “Possible” or “Potential” topics.**
- ➔ **It was agreed that the section on Policy Questions would be made clearer with an explanation of what they are and previous good examples of these.**
- ➔ **It was agreed that proposers would be asked to conceptually link their Policy Questions to the Expected Outcomes.**
- ➔ **All Group Members having agreed these modifications, it was decided the form would be shared within the day or following day on the MAG list for the membership’s final approval.**
